

This wall mount, load cell, and cinch strap allow you to use the core board in the clinic with improved ability to adjust the angle of the pull and to keep track of the decompression/unloading force.

These items are not included in the core board special. If you would like these items, the additional cost would be \$85.00

Shipping is approximately \$70.00. (Shipping has gone up about 40% in the last year.)

The entire package with Core Board, Webinars, and Clinic Accessories would be:

Webinar / Core Board Package	299.00
Clinic Wall Mount Accessories	85.00
Shipping	70.00
Tax:	<u>22.45</u>
	\$476.45

This is still over a 50% reduction
